

Capetown eCGRF Case Update as on 28.09.2020

Dear Capetown Owners,

Enclosed files are to give you update on our electricity case lodged in Hon'ble electricity Consumer Grievance Redressal Forum Meerut (eCGRF). These 4 files will give you insight of our case, builder's reply, finally our reply and builder's letter which was given to Hon. eCGRF in hearing dated 25.09.20.

We are preparing the reply of this letter which would be submitted to Hon'ble eCGRF before 9th Oct.

We have visited eCGRF Meerut 4 times till now.

Hon'ble forum gave us opportunity for hearing on 25.09.20 where we from CAAO put our points with detailed facts and prayer before Hon'ble forum.

Hon'ble Judge gave us patient hearing and took notings. Hon'ble judge and forum members also asked the builder to put his view point but builder's representative asked for another date and chance for hearing citing the reason of their advocate's illness. Next date for final hearing (and probably decision also) is scheduled on 09.10. 20, 11 AM.

Any resident if interested can attend the hearing. We shall keep you posted the developments of this case.

Regards,

Team Capetown AOA.
