STAY HOME SAVE LIVES

Date : 28.03.2020

Dear Residents,

With the new positive cases in Noida, the situation is becoming very alarming at every passing day. Administration has already announced complete lockdown and advised residents to adhere with it genuinely. The current situation is truly worrisome and hence has necessitated AOA to remind this advisory of complete restriction of any movement be it morning or evening walk, a stroll post meal, a leisurely walk with family or walk with the pets etc within the Capetown.

All the residents are hereby advised to adhere to govt orders and remain confined to their respective dwelling. We request you to not to compromise with your, your family as well as co-residents life by venturing out, unless it is extremely necessary in emergency situations.

As per govt orders AOA is duty bound to share the pictures and details of the offenders to district administration as well as to police department. Administration may deal with such offenders in accordance to Epidemic Act 1897, IPC 1860 section 188 and NDMA 2005.

We are pretty sure that Capetown being a role model in 7X societies will set the new standards of safety, security and wellbeing of all the residents.

Kind regards,

For Cape Town Association of Apartments Owners
