Dear Sir

As per our discussion over Phone please find the attached proposal for your valuable society . Same we have already submitted earlier .

We have done the Joint survey inside the society and ready the Layout that how we will do the fiber work inside the society.

We don't required any power and electricity from your end as our network is passive network and we have already Installed out OLT outside the society.

Simple we required the permission to layout the fiber in our own duct .

Please do the needful to provide the permission .

Regards

Dear Sir,

As we have discussed with you on 16th July 2019 for JIO fiber layout inside the society. we have already done the joint survey with our construction and Planning team inside the society.

We have completed the outside fiber work before 4 months ago.

Need your kind approval to start the work asap as we getting so many online request from the residents for JIO Fiber.

Please find the attached proposal once again in attachment.

Regards

Arun Sharma
